## THE KISLAK FAMILY FOUNDATION FUND

Generous gifts from the Kislak Family Foundation, Inc. have enabled the FSU Real Estate Center to organize and host its Kislak Forums in South and Central Florida, as well as a featured session at our Trends conference in Tallahassee. The Kislak gift has served as a one-to-one match gift that is used to incentivize other sponsor donations. This past year, a combined total of nearly 1,000 people attended our Kislak forums and the sponsored conference session, including more than 160 of our students. In addition to the event itself, the gift enabled the Center to fund student travel to participate in these events and assist with corporate tours connected to the forums. The contacts initiated at these events have led to numerous job opportunities and internships for our students.

The Kislak Family Foundation, Inc., is a private philanthropic foundation established in 1993 by Jay and Jean Kislak to support education, arts and humanities, and other worthwhile charitable endeavors in the United States and abroad. Based in Miami Lakes, Fla., the fund provides donations to a wide range of nonprofit organizations and projects.

## BOB AND DARBY HOLD STUDENT LEADERSHIP PROGRAM

A generous gift to the FSU Real Estate Center from Bob and Darby Hold has allowed our students to attend national events that enrich their educational experience, while showcasing the college's brightest young men and women to industry leaders. In 2015, the Bob and Darby Hold Student Leadership Program provided the means for students to attend four major annual real estate industry events. The four annual events included: The ULI Fall Meeting, San Francisco, Calif.; The ULI Florida Summit, Ponte Vedra, Fla.; ICSC RECON, Las Vegas, Nev.; and ICSC Florida, Orlando, Fla. The gift reflects the university's commitment to extend the classroom beyond the boundaries of campus. Students who attend these events have come away with contacts, lessons on how the industry works, invaluable advice from professionals, internships and jobs.

Hold Thyssen, Inc. and Hold Realty are commercial property firms specializing in the management and brokerage of investment properties on behalf of foreign investors and institutions. The Hold Thyssen companies have been managing commercial, office, and multi-family investment properties for the past 40 years. Its current portfolio consists of more than 100 commercial properties located throughout the United States.
