SCHOLARSHIPS

THE KISLAK FAMILY FOUNDATION

Generous gifts from the Kislak Family Foundation have enabled the FSU Real Estate Center to organize and host its FSU-Kislak Forums in South and Central Florida, as well as a featured session at the TRENDS Conference. In the 2021-2022 academic year, a combined total of nearly 1,000 people attended the FSU-Kislak forums and the sponsored conference session, including more than 180 FSU real estate students. In addition to the event itself, the gift enabled the Center to fund student travel to participate in these events and assist with corporate tours connected to the forums. The contacts initiated at these events have led to numerous job opportunities and internships for the students.

The Kislak Family Foundation, Inc., is a private philanthropic foundation established in 1992 to support leadership and innovation in the fields of education, arts and humanities, animal welfare and environmental preservation, and other charitable endeavors in the United States and abroad. Based in Miami Lakes, Florida, the foundation provides grant funding to a wide range of nonprofit organizations and projects.

STUDENT INVOLVEMENT IN PROFESSIONAL MEETINGS

Generous gifts to the FSU Real Estate Center allow FSU real estate students to attend national events that enrich the educational experience, while introducing some of the college's brightest young men and women to industry leaders. The gifts allow the real estate program to operationalize its commitment to extend the classroom beyond the boundaries of campus. Students who attend these events come away with contacts, market insights and invaluable advice from professionals, internships, and jobs.

Collectively, the set of endowed family funds established by Donna Abood, Tom Bartelmo and family, Jay Caplin, Bryan and Karen Cohen, Scott and Marion Darling, Brett and Cindy Lindquist, Bill and Stephanie Lloyd, Greg Michaud and family, and Kyle Riva and family support this and similar initiatives.
